**Foreign Education Professionals**

**YOU ARE  
CORDIALLY INVITED**

You are cordially invited to Turkey, so that you can share your knowledge, observe new tones of colours you already know, walk in the footsteps of history, encounter students who will change your perspective, explore a different education system, and have a chance to observe the West from the East.

Choosing one of the programs tailored for education professionals will give you a chance to observe the reflections of the traditional and the innovative perspectives of the cities, of the people, of the daily life and thus of education.

### **Comenius Assistanship**

The Comenius Assistanship which brings student and teacher interaction to an international level, will give you an opportunity to develop your teaching and learning skills, while you get to know Turkish and different life styles, plus a prospect for you to introduce your own culture.

### **Erasmus**

You have a chance to come to Turkey with the Erasmus program which provides bilateral financial support to higher education institutes to enable them to organize short term academic staff exchange and to develop mutual projects.

### **Study Visits**

Study visits cover studies organized in European countries for European education professionals. This could be your opportunity to exchange knowledge and experience with professionals in Turkey, while you collect wonderful memories from this beautiful country.
