Youth in Action Programme

Sub-actions of the Youth in Action Programme, which has been designed to strengthen social adaptation and tolerance among youth in Europe, are tailored according to your interests, dreams, and goals.

Would you like to explore the privileges of being in a country which has been a cradle for numerous civilizations accompanied by a touch magic from both the east and the west?

You can discover the magnificent harmony of the modern and the traditional culture, by adding new experiences to your education or by designing and implementing projects to realize your ideals.

The Programs that will lead you to the discovery of Turkey are:

Erasmus

You are invited to Turkey to live a part of your education with us, to get to know the rich culture our country offers and to make new friends.
