

Implemented by the European Commission
from **2014 to 2020**
in the **education, training,
youth and sports,**
fields of **the Erasmus+ Programme**
aims at providing the people
with new skills, strengthening their personal development,
and increasing opportunities for employment.

With thousands of institutions and organizations participating in Erasmus+ Programme, Turkey offers unique experiences.

Erasmus+ Programme offers lifelong learning opportunities and supports all levels and types of education from pre-primary to adult education. In addition to education; youth and sports are an integral part of the programme as well. Erasmus+ Programme consists of School Education, Higher Education, Vocational Education, Adult Education, Youth and Sports.

Erasmus+ is for students, trainees, apprentices, pupils, adult learners, young people, volunteers, professors, teachers, trainers, youth workers, professionals of organizations active in the fields of education, training and youth.
